Instructions 1	Instructions 2
PARTS ON SITE*Technical Exchange of GIG15	Please provide a Technical Substitution of a GIG15 REMANUFACTURED by October 20th at any time in the day and please 30' before reaching the Site please call Customer because the Site is closed and please give the expected time of arrival. This is a machine where on August we changed the power adapter (at that time Customer claimed that the machine suddenly switched off; there were no signs from the machine); now - while the machine is able to suck the syrups from the bag - nothing is being dispensed from the dispenser. The Customer has already tried cleaning the lines and dispenser but the issue persists. So please change the machine. Before reaching the Site please collet #1 GIG15 REMANUFACTURED + #1 BAR MAT FULL COVER + #15 Cable holder. Please use the one way valves from the broken machine. Before leaving the Site please calibrate all lines. In case of issues please contact +44 2045772581. Once the job is completed please click the link below to open and complete the job survey. It is mandatory to complete this survey as part of the customer sign off process and job closure. <a href="https://rico.jotform.com/232774588752067"> ***ENGINEER PLEASE READ*** Please complete a dynamic risk assessment of the ticket....
